## 校長的話

初的時候,曾與我班學生分享一句話:人生

, 告訴現在的自己多一份堅持, 付出多一分

努力,是為將來的自己加添多一點選擇和自由。加油!

不知不覺,來到本校已一年多了,我很高興能在本校擔任校長。特別欣喜的是我發現同學 極投入校園生活,為未來作好準備。小息、午膳及放學的時候,我常常看見同學在教員室外詢問老師有

貢獻的人。

有些同學待人接物成熟了。我相信這些良好的發展,都是老師及同學共同努力的成果。我衷心感 的老師,亦希望同學能感謝每位用心教導你們的老師。

# 新老師感言

來到這校服務我感到十分高興。在初入職時,很多 不適應的地方,幸得資深的同事的鼓勵及幫助,很快就 可以適應了新的工作環境,這今我充份體現到學校關愛 的文化。

## Mr. Calvin Lau

Languages are important tools for communication.

Languages are interesting and learning languages is full of fun.

Languages are changing from time to time and sometimes we do not mean what we say. For example, the word 'brunch' meaning the combination of 'breakfast' and 'lunch' was invented in the last decade, the term 'Hong Konger' is printed on the new edition of Oxford Dictionary, and the question, 'Do you have a watch?' means 'Please tell me the time.' but you won't answer, 'Yes, I have a watch.'

I am particularly interested in learning about socio-linguistics and psycho-linguistics. Please feel free to knock on the door of Teachers' Office A and I can share with you why I am fascinated by the beauty and intriguing of the languages.

Putonghua is becoming more and more important in the world but English still plays an important role in the next decades. We are lucky to live in Hong Kong since it is an international city and we have the trilingual environment. I believe one of the keys for success is to be a trilingual person. Tai Kwong Chi Hongers, are you ready?

**English Debating Competition** 文辯論比賽

Our English Debate Teams have been gaining great successes in the NETSTA Debating Competition and the Hong Kong Secondary School Debating Competition. With the effort of our students and teachers, our debate teams have won in several rounds and now they can have a chance to compete for the championship in the final round. Our students have also been awarded the Best Speaker certificate in every debate.

憑著同學和老師的努力,本校英文辯論隊都能在 **比賽中獲勝,同時每場比賽我校辯**
