American Exchange Programme

Being an exchange student in The United States of America is one of the most memorable moments of my life. Fully immersing myself in the local culture and education system in a foreign country has helped me grow as a person as well as improve my English. I also have lifelong friends and cherished memories that I will forever keep. Joining this programme was a great decision, and I hope many more students have the same opportunity.

我感到十分榮幸有這個實貴的機會去美國當交流 生。通過這計劃,我可充分地體驗美國當地的生活文 化、教育制度,更可增廣見聞。這些學習經驗不但對我 的升學有幫助,更豐富了我的閱歷。

### **English Debating Competition**

Our school's English debate teams continue to have some rising stars! One of our teams won the term one runnerup championship award in the Hong Kong Secondary School Debating Competition. Joining debating competitions teaches members how to research, articulate arguments, and clarify ideas. Subsequently, students actively engaging in debating are often more prepared to speak clearly during presentations, demonstrate an academic presence and clearly explain ideas and abilities even in job interviews.

# 英文辯論比書

辯論不但能提升英語水平,也能訓練學生搜集資料、 整理論據及表達想法的技巧,更有利學生應付畢業後 升學及求職的面試。
